

Public Disciplinary Actions

The College for Financial Planning's Professional Designations Public Disciplinary Actions include the following:

- Public Letter of Reprimand
- Suspension of an individual's rights to use the designation for a fixed period of time
- Permanent Revocation of an individual's rights to use the designation

Below is a list of individuals who have had a public discipline imposed by the College for Financial Planning's Ethical Conduct Committee. Individuals may also be disciplined privately with a letter of caution or admonishment. Private discipline is not made public.

To verify if an individual is currently authorized to use one of the College's Professional Designations, please use the [Find an Advisor](#) search function on this web site.
